

Technical Director

The Servette HC based in Geneva-Switzerland, club of around 200 members, very involved with juniors, with a first team playing at the highest national level (outdoor and indoor), is looking for a mature person keen to pursue their hockey and coaching ambitions.

We are also looking for one or two young players to help in junior trainings and keen to play with our first team.

Objective

Make Servette the best club in Switzerland: develop and upgrade the quality of the club, from a playing and organisation perspective, on a five years horizon.

Develop hockey in the entire region.

Responsibilities

Oversee the development of the club's playing capabilities, including

Co-ordinate the training sessions throughout the club, from the juniors to adult teams. Take responsibility for certain training sessions

Recruit and develop players through the total system

Bring your passion and commitment to hockey to the entire club

Request qualities

Commitment over a five years horizon.

Speak French within six months.

Love amateur sports.

International experience, excellent communication and organisation skills, good with kids.

Salary

To be discussed.
